

Sweet Indulgences 9: Two heartwarming short romances

This is the ninth volume of Sweet Indulgences. These sweet short stories are designed for the busy woman who deserves a few minutes of self-indulgence on the bus or train to work, during coffee or lunch break, while waiting to pick the kids up, sitting in the doctor or dentists waiting room, sinking into a bubble bath before bed, or ... well, I'm sure you get the picture. Volume 9 contains two stories. Will a seriously sprained ankle ruin Lia and Christophers holiday in Greece or will it be the key to discovering that love is really A Matter of Balance? In Finders Keepers, the treasure at the end of the rainbow brings a very special man into the lives of single parent Marcy and her son. Earlier versions of many of the stories in the Sweet Indulgences series were published by The Wild Rose Press, by Freyas Bower, and in the magazines Womans World, The Peoples Friend, New Love Stories, Womans Weekly, and Womans Day.
