

## Chance Encounter: Take a Chance: Prequel

Daphne and Jack meet on a Greyhound bus heading north from California. The year is 1976 and Daphne is a pregnant teenager. Jack is a guy in search of a future. For these two lost souls, this is a ride that will change their lives and begin a dynasty. This is a prequel to the Take a Chance series about the eleven kids Jack and Daphne will collect over the years and the paths each member of this very untraditional family, will take as they, in turn, fall in love.
