

Take On Me (Mills & Boon Blaze) (Secret Lives of Daytime Divas, Book 1)

Making up for lost time! Getting over her teen crush on Dylan took Sadie a while, but now she's grown up and moved on. Until Dylan takes a new job at her work place! Suddenly, it is as though she has never spent a minute away from the devastatingly handsome bad boy. But Sadie's determined not to let her sexy fantasies get in the way. Too bad the tension between them is so high, that sharing a powerful, passionate encounter is inevitable. And once they do, Dylan is better than Sadie had ever imagined. She promised herself to leave him begging for more but does she really want to?
