

Lucy and the Loner (Silhouette Desire)

MR. APRIL THE MASTER (FOR A MONTH): Boone Cagney. When irresistible Lucy Dolan cried pitifully about her trapped three-year old, how was the hunky fire fighter to know she was talking about her cat? Now he's spending his days and his nights with both of them. THE SLAVE (FOR A MONTH): Lucy Dolan. When Boone rescued Mack from the jaws of death, Lucy decided it was payback time. THE DEBT: Lucy has to service Boone for thirty days only if he can bear to let her go at the end of them. After all, good help is so hard to find. MAN OF THE MONTH: He'd sworn to go it alone. So what was it about this woman and her ornery black feline that had Boone thinking about the family plan?
