

## The Beach Boys: Winter (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Romance, M/M, foot play, HEA] Outrageously gay Hudson Smith owns Hudsons Clothing Store at Two Waters Beach. He loves his job but he wishes he had a partner to love. Elliott Greene is shy and unassertive. Hes here at the beach for a weeks vacation in mid-winter because everyone else at work wanted the warm weather for their vacation time. Elliott is cold and Hudson invites him into the store to warm up. They drink tea and talk, getting to know each other. Elliott ends up remaining in the store with Hudson all day long as they begin to get to know each other and share their stories. Hudson is very attracted to his shy, blushing guest, and is proud when Elliott proves theres a smart brain and a gentle humor hidden behind the bland facade. Meanwhile Elliott determines to follow his grandpops advice and stop being too nice to everyone and instead to ask for what he wants. \*\* A Siren Erotic Romance
