Finding Pride: Megan Kimble has finally freed herself from years of abuse at the hands of her ex. Now she can finally start a new life and figure out just who she really is. When her brother Matt dies suddenly, she takes a big risk and moves cross country to live in his house and take over his new business. This could be the chance she's needed. There's only one problem now. She can't seem to escape the irresistible charm of her departed brother's best friend. Todd Jordan just lost his best friend and business partner. Watching Matt's sister move into town, his attraction to her is instant. Can he prove to her that all men are not the same, and resist his own desires as she learns to trust again? Overcoming the odds is just part of their journey. The two must first survive a fateful visit from Megan's ex to have any chance at happiness.

Discovering Pride: Lacey Jordan is a woman who knows what she wants and she wants nothing to do with the new doctor in town. He has a perfect smile, perfectly tan muscles, and a way with people her people! This is her town, her family, and her life, and he's come here shaking everything up, including her heart. Aaron is running away from a tough breakup where heartbreak is the least of his concerns. All he wants now is to take over his grandfather's medical practice, and make his new house a place he can call home. What he hadn't counted on was crashing into a petite goddess with relentless powers of persuasion. When the two get a disturbing visit that could change their lives forever, Aaron must prove his love if they are to survive.
