

The Billionaires Demands (Boardrooms & Billionaires Book 3)

Billionaires Demands (A Boardrooms and Billionaires Series Book) by Addison Fox Booth Harrison has made a habit of getting what he wants, be it a new addition to the Harrison media empire, or a better relationship with his half-brother. But meeting his brothers new sister-in-law, Camryn McBride, poses a new challenge. The savvy CFO of McBride Media has a brain he wants to pick and a body he needs to claim. Camryn has spent the past few years helping to rebuild her family's magazine company, focusing on that rather than her disastrous personal life. But when Booth Harrison invites her to be the keynote speaker at a sales conference in Hawaii, she's tempted to combine business with pleasure. But meeting the billionaire demands won't be easy, because someone doesn't want a merger between them to happen.
