

The Cowboy and the Cougar (The Cougar Chronicles Book 1)

A hot time with a gorgeous young cowboy is just what the doctor ordered for forty-year-old Holly Taylor. But after a night of amazing passion, she leaves discreetly. Life has other plans for her at the moment. After the best sex of his life, single father Jack Sherwood isn't ready to give up his mystery woman. When he runs into her several months later, he's relentless in his pursuit, and he doesn't care a whit about their eleven-year age difference. Holly's life has taken a new course since her first meeting with Jack, and she's convinced she's not what he and his adorable son need. Can her new friends at The Cougar Club persuade her to stop running? Or will she lose the best thing to ever happen to her?
