

## Lessons of Desire (Rothwell Brothers Book 2)

Handsome, suave, and carnal as the devil, Lord Elliot Rothwell awaits readers in *Lessons of Desire*, bestselling author Madeline Hunter's latest book in the Rothwell series and her most provocative novel to date. A man used to getting what he wants, Elliot is every woman's most secret fantasy in the living flesh. He first appears beneath her prison window as her savior, a sinfully attractive man whose charm and connections have ensured her release from an unjust arrest. But author and publisher Phaedra Blair quickly learns that the price of her freedom is to be virtually bound to her irresistible rescuer. For Elliot Rothwell didn't come solely on a mission of goodwill. He came to extract a promise that Phaedra won't publish a slanderous manuscript that could destroy his family name, and he's not above bribery, threats, or bedding her to get his way. And with each erotic encounter raising the stakes between them, Elliot discovers he's ever more reluctant to lose this sensual game or the one woman who's every bit his match.
