Bad girl turned detective Lorryne Cavanaugh smelled a cover-up on the police force and began some secret sleuthing into a murder investigation. Her friend was accused of killing a young woman, and Lorryne believed in his innocence. She never counted on the suspects handsome older brother, Cole Garrison, to get in on her action. Cole had once left town in a blaze of shame, but now he had returned to save his younger brother from conviction. As Cole followed a trail of secrets, he found an obstinate and beautiful detective blocking his path. He and Lorryne wanted justice and each other as a smoldering attraction pulled them together. But when the fire got too hot, would they survive to take the ultimate risk on love?
