

The Forgiven: Keepers of the Promise: Book One

When three women, all cousins, are given the task of sorting through the treasures of several generations of their Amish family, they each discover a story from the past that provides insights and inspiration for their own lives. Central Pennsylvania, current day. Rebecca Fisher gladly accepted her husband Paul's dreams as her own, but now that he has passed away, she's struggling to raise two children and keep her home. Renting her stable to carpenter Matthew Byler offers a partial solution even though Matthew has a troubled history, having sometimes failed to embrace Amish beliefs. As Matthew seeks to prove himself, Rebecca realizes how dependent she has become on others. Where can she find the courage to grow and change? Lancaster County, 1941. As war threatens, Anna Esch pours her experiences into her diary. Her world seems to crumble as neighbors turn against the Amish and her love, Jacob, is sent to a camp far away for refusing to fight. She can't know, as she grows from a girl into a woman during a time of trouble and grief, that one day another Amish woman will gain strength from the words she writes and will learn that she, too, can become a keeper of the promise. **FIRST IN A NEW SERIES**
