

The Golden Bough - Classic Illustrated Edition

* Beautifully illustrated with atmospheric paintings by renowned artists, The Golden Bough offers readers a modernist approach to discussing religion, treating it dispassionately as a cultural phenomenon rather than from a theological perspective.

* Just as accessible and enjoyable for today's readers as it would have been when first published, the book is one of the great studies of mythology and religion and continues to be widely read throughout the world.

* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.
