

The Lion of Prague: Numbers and Deuteronomy (Lion Cub of Prague)

Rabbi Yehuda Loewe (1512-1607), known as the Maharal of Prague, was one of the greatest sages of the Jewish people. However, his profound Torah insights have been inaccessible to the English-speaking public until now. The second and third volumes of Gur Arye, Maharal's commentary on Rashi, are for the first time available to English readers, complete with source annotations for further in-depth study.
