

Jochebed: A mothers decision that saved a nation

As a mother, you have the opportunity to mold minds, nurture growth and develop potential, like no one else. You are a mother! Jochebed raised three leaders. She was a housewife, living in slavery, yet she trained and led her children into the purpose of God for their lives. God brought miracles to earth through the lives of her children. Her life speaks through her children, Moses, Aaron and Miriam; and she is listed with the heroes of faith in Hebrews 11. The world she lived in was different in many ways from ours and our fore mothers, but we are dependent on the same God, have the same enemy and fight the same battles. We can learn much from Jochebed!
