

## Mac's Bedside Manner (Mills & Boon Vintage Cherish)

With his killer smile, his bone-melting charm and his medical dedication, hospital hunk Dr. Harrison Mac Mackenzie could thaw an iceberg at twenty paces. Collecting willing women like baseball cards, he hadn't met resistance since high school physics. Until feisty nurse Jolene DeLuca sashayed into the E.R., with her perfect curves, her flashing green eyes and an attitude that told big-deal doctors to drop dead! Mac was intrigued. Challenged. And utterly enchanted by spitfire Jolene and her daddyless two-year-old daughter. But what was a confirmed bachelor to do with such a skittish single mom? Chase her until she caught him!
