

The Prodigal Princes Seduction (The Castaldini Crown)

As one of the worlds most powerful men, Prince Durante DAgostino often received inappropriate offers. Yet the woman attached to this one stole the breath from his body. He had no interest in discussing business until he learned she came to bring the prodigal prince back to Castaldini to become its future king. Seducing the messenger wasn't supposed to be part of the bargain. But after one fiery night, Durante knew Gabrielle was meant to rule by his side. Until he discovered her true identity and the betrayal launched his scheme for a most royal revenge.
