

The Quinn Legacy (Chesapeake Bay Saga)

For the first time, the final two novels of Nora Roberts's breathtaking Chesapeake Bay saga are together in one volume, bringing a welcome crescendo to the story-symphony that is the family Quinn in all its boisterous, loving resonance (BookPage). Includes the novels Inner Harbor Phillip Quinn has done everything to make his life seem perfect. With his career on the fast track and a condo overlooking the Inner Harbor, his life on the street is firmly in the past. But one look at Seth and he's reminded of the boy he once was. Chesapeake Blue Now a grown man returning from Europe as a successful painter, Seth Quinn is settling down on Maryland's Eastern Shore, surrounded once again by Cam, Ethan, and Phil, their wives and children, all the blessed chaos of the extended Quinn clan. Finally, he's back in the little blue-and-white house where there's always a boat at the dock, a rocker on the porch, and a dog in the yard. Still, a lot has changed in St. Christopher since he's been gone—and the most intriguing change of all is the presence of Dru Whitcomb Banks.
