

The MacKade Brothers: Rafe & Jared: The Return of Rafe MacKade//The Pride of Jared MacKade

New York Times bestselling author NORA ROBERTS returns with two classic tales of the MacKade brothers—their rebellions, their passions and their loves. **THE RETURN OF RAFE MACKADE** Ten years after disappearing from Antietam, Maryland, the bad boy has come home. Cleaned up and successful now though still dangerously good-looking Rafe MacKade sets the town on fire and tongues wagging. Not even lovely newcomer Regan Jones is immune to his charms. Though Regan claims to not want to get involved with a rebel, Rafe is pretty sure that her reaction to their sizzling kisses suggests otherwise. **THE PRIDE OF JARED MACKADE** Jared MacKade believes in taking a stand, and he never turns his back on a fight. So when his work as an attorney brings him up against Savannah Morningstar, her rude behavior and strong defenses aren't nearly enough to scare him off—quite the opposite. Thoughts of the outrageously direct and sinfully sexy woman keep Jared coming back for more. And the more he gets to know her, the more determined he is to stand by her always.
