

## The Secret Keeper: A Novel of Kateryn Parr (Ladies in Waiting Book 2)

The author of *To Die For* returns to the court of Henry VIII, as a young woman is caught between love and honor. Juliana St. John is the daughter of a prosperous knight in Marlborough. Though her family wants her to marry the son of her father's business partner, circumstances set her on a course toward the court of Henry VIII and his last wife, Kateryn, or Katherine Parr. Sir Thomas Seymour, uncle of the current heir, Prince Edward, returns to Wiltshire to tie up his business with Juliana's father's estate and sees instantly that she would fit into the household of the woman he loves, Kateryn Parr. Her mother agrees to have her placed in the Parr household for finishing and Juliana goes, though perhaps reluctantly. For she knows a secret. She has been given the gift of prophecy, and in one of her visions she has seen Sir Thomas shredding the dress of the king's daughter, the lady Elizabeth, to perilous consequence. As Juliana learns the secrets of King Henry VIII's court, she faces threats and opposition, learning truths about her own life that will upset everything she thought she once held dear.
