

Sanctuary: The Stud//T.L.C.

The Stud Jenna McCue wants a baby, and Spencer Smith is just the man for the job. Jenna assures the avowed bachelor she doesn't expect anything from him except his genes. But she hasn't counted on falling for a man she's known forever, or that having a baby means hell be out of her life for good. Lucky for her, Spencer has other plans. TLC With a burning fever and a broken-down car, Karen Drew knows she should be grateful that Brice Carlin pulled her from the snowdrifts in the nick of time and brought her to his home to recover. As a doctor, his healing instincts take over. But being snowbound with the man who once tried to have her put in jail is dangerous territory.
