

## The Unintended Fiance (Captured by Love Book 4)

He arranges a fake engagement to win against his business rival. Bradley Mead has one overriding goal: to succeed over his fiercest business enemy. To boost his chances of winning a lucrative contract over his competitor, he must first assure his potential client that he is not after the clients new wife a woman he used to date and who still loves to flirt with him. To aid his cause, he asks Erin Baker, his sisters beautiful best friend, to be his pretend fiancée. But Erin soon becomes a pawn for his archrivals underhanded tactics and he finds himself torn between winning in business and following the dictates of his heart. She doesnt expect to fall for her fake fiance. Erin Baker believes she is now immune from Bradley Meads charms. After all, her secret crush for him when she was still a teenager is long gone. When an ex-boyfriend becomes a new work colleague and starts annoying her, accepting Brads proposition to be his fake fiancee for a short time seems like a great idea until she discovers that shes been lying to herself about her feelings for him. Can she ever win the heart of the man who has never loved her back, and shows no intention of ever doing so? \*\*\*\*\* The Unintended Fiance can be read as a stand-alone or as Book 4 of the Captured by Love series.
