

Taming Clint Westmoreland (The Westmorelands series Book 12)

In name only?The moment ex-Texas Ranger Clint Westmoreland learned he was still married, he set the limits for his wives stay at his luxurious horse ranch. But when she arrived, Clints boundaries began to blur. He and Alyssa Barkley had thirty days to untangle the legal knot that had bound them together during an undercover assignment years before. But this sexy, curvaceous Alyssa was different from the mousy, awestruck rookie agent he remembered. And now her every move had him wondering what it would be like if he really were her man.
