

## Obey - Complete Series

Emily's job is to find out what businesses are doing wrong, and tell them how to do it better but at BruCom everything is perfect including its irresistibly handsome owner, Mark Brume. With his immaculately tailored physical presentation and intensely blue eyes, Mark draws Emily to him like a moth to a flame but he leaves her feeling unsure. She can't tell whether he is being professionally courteous, or something more flirtatious that is, until he invites her to an awards ceremony where he makes his intentions perfectly clear. That one night will change everything Emily thought she knew about being with a controlling, dominating, and drop dead sexy businessman. The question is, is Emily ready to submit to him and her own urges? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
