

To Love and to Cherish (Wedding Belles Book 3)

Sex and the City meets The Wedding Planner in The Wedding Belles, a contemporary and witty romance series about three high-powered New York City women who can plan any wedding but their own. Alexis Morgan has spent the past six years devoted to turning her tiny start-up into Manhattans premiere wedding planning company, The Wedding Belles. Now that her business is thriving, its time to turn towards her much neglected personal life, and Alexis approaches her relationships like she does everything else: with a plan. Not a part of that plan is Logan Harris, the silent partner in the Belles, and the one person whos been there for her since the very beginning. But Alexis needs someone fun, and Logans all business, all the time except when a late night at the office ends with an unexpected kiss that leaves the usually cool and together Alexis reeling. Logan has lusted after Alexis since the day he walked into the tiny Harlem apartment that used to double as her office. But the ambitious wedding planner has always been untouchable...until now. Alexis has made it clear that shes on the dating market and equally clear that hes not in the running. But when Alexis finds herself in need of a date for her sisters last minute wedding in Florida, Logan knows its the perfect time to show Alexis that theres more to him than numbers and spreadsheets and beneath the pinstripes and glasses lies a hot-blooded heartthrob. As Floridas sultry days turn into even hotter nights, Logans out to convince Alexis that the fling of a lifetime could just maybe turn into forever...
