Book 3 of the Bound and Bonded Series Can be read as a standalone. Kyle, one of the head enforcers of the Washington Pack, wants nothing more than to find the evidence he needs to convince his Alpha that the man he is following is gay, so he can head back home. Being in Iowa is doing his head in. But a fleeting encounter in a gay nightclub, has Kyle rethinking his priorities because out of nowhere, he had scented his true mate. Teric is a cat-shifter with a job to do and more than a few secrets of his own. Scenting Kyle at a nightclub is the last thing he needed, but Fate intervenes. When the two men meet, secrets come out and for the safety of his pack, Kyle has to let Teric do his job. But what happened to the total submission he had spent his life dreaming about? Warning: This book contains graphic MM sex, violence and coarse language that may offend some readers.
