

The Treasure Principle: Discovering the Secret of Joyful Giving (LifeChange Books)

In this first book in the new Small Books Big Change series, bestselling author Randy Alcorn introduces readers to a revolution in material freedom and radical generosity that will change lives around the world. Ninety-five percent of Christians have never come to terms with a biblical perspective on their material possessions, Alcorn writes. God has entrusted His wealth to us and called upon us to manage and invest His money. This is in everyone's best interests, including our own. When Jesus told His followers to lay up for yourselves treasures in heaven, he intended that they discover an astounding secret: how joyful giving brings God maximum glory and his children maximum pleasure.
