

Tuffers Cricket Tales

A wonderful collection of hilarious cricket stories and anecdotes from the one and only Tuffers. Phil Tufnell, aka Tuffers, is the much-loved English cricketer who has now become one of the countrys favourite broadcasters. Not cast from the same mould as other players of his generation, Tufnell has become a cult figure for his unorthodox approach to the game ... and to life in general. Tuffers Cricket Tales is a deliciously eccentric collection of the great mans favourite cricket stories that will amuse and inform in equal measure. Tufnells unmistakably distinctive voice, as heard to such good effect on Test Match Special, steers fans through dozens and dozens of terrifically entertaining and insightful anecdotes, garnered from his 25-year playing and broadcasting career. Tuffers Cricket Tales introduces a cast of genuinely colourful characters found in dressing-rooms and commentary boxes from around the world, and in the process, offers a uniquely warm and quirky homage to the sport.
