

Indian Summer (Twelve Months of Romance - September)

Indian Summer - a novella Summer Malone nearly died when she was twelve-years old and since then, she's felt driven to prove herself. No way is she going to waste the second chance she was given as a child. She works hard and she plays hard. Hiking, kayaking, riding her dirt bike, pushing herself to her physical limits and beyond. When she runs her dirt bike into a tree, it's Buck Harper to the rescue. Buck has never forgotten the little girl he'd carried down the mountain to the rescue chopper some twenty-five years before. And, as a juvenile criminal defense attorney, he's been rescuing kids ever since. When a crazy woman comes charging up the trail on her dirt bike and skids into a tree right in front of him, he goes into rescue mode once again. Only this time, it's not a sweet, young girl, but a bossy, arrogant woman who definitely does not want his help.
