

Wen-Tzu: Understanding the Mysteries

Lao-tzu, the legendary sage of ancient China, is traditionally considered to be the author of the Tao Te Ching, one of the most popular classics of world literature. Now Lao-tzu's further teachings on the Tao, or Way, are presented here in the first English translation of the Chinese text known as the Wen-tzu. Although previously ignored by Western scholars, the Wen-tzu has long been revered by the Chinese as one of the great classics of ancient Taoism. In it, Lao-tzu shows that the cultivation of simplicity and spontaneity is essential to both the enlightened individual and the wise leader. This timeless work will appeal to a broad audience of contemporary readers who have come to consider Lao-tzu's Tao Te Ching a classic on the art of living.
