

## Whatever You Need (The Brand Brothers)

Too good to be denied No one does damage control better than Morgan Morrison, publicist for an elite escort agency except when it comes to her own personal life. After a string of dating disasters, Morgan has finally found a charming, successful attorney boyfriend. Which is why her pulsing, irresistible attraction for notorious playboy River Brand is oh-so-dangerously inconvenient. And when River offers her an exclusive two-week, no-holds-barred erotic affair, Morgan does the one thing a good girl should never do: she says yes. A self-made millionaire with tattooed biceps and designer suits, River deserves every inch of his bad-boy reputation. Yet after a wildly explosive encounter in his limo, he cant get Morgan out of his head. If she still wants another man after a fortnight of him fulfilling her every sexual fantasy, River will walk away forever. But some promises are impossible to keep, especially when the one person Morgan shouldnt want becomes the only lover she cant seem to resist.
