

William Nelson: A Memoir (Classic Reprint)

Excerpt from William Nelson: A Memoir The volume here produced for the eye of friends is the memorial of one whose life presented a rare example of simplicity, of thoroughness in working up to a high standard in all that he undertook, and fidelity in his responsible stewardship as a man of wealth and a captain of industry. The friendship between us extended in uninterrupted union, with the maturing estimation of years and experience, from early boyhood till both had passed the assigned limits of threescore years and ten. It would have been easy to swell the volume into the bulky proportions of modern biography: for William Nelson keenly enjoyed the communion of friendship; and his correspondence furnishes many passages calculated to interest others besides those who knew and loved him as a friend. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
