\*\*Due to sexual content and heavy subject matter of an abusive nature, this book may not be suitable for all audiences. Yield (verb): to surrender or submit (oneself) to another. Macy Carrington is broken. The strong, beautiful woman that I've unwittingly fallen in love with is all kinds of broken from a secret that she has carried for far too long. A secret so dark, she has gone to great lengths to protect it. A secret that I'm terrified will one day rip her away from me. The only time Macy frees herself from the darkness is when she is naked and in my arms. When I am deep inside her body, there is nothing she fears. When she wraps herself around me, she is at peace. If she would only yield to me completely, I know I can set her free.\* Yield is the final book in the Legal Affairs trilogy of Cal and Macys story. Clash and Grind, Books #1 and #2, can be found on this retailers site for purchase.
